

Would you like to take part in making an animation film for the London 2012 Olympics?

We are looking for children who want to take part in free EIGHT 90 minute art workshops, creating artwork for the 10 minute animated film called *The Stories of Five Olympic Circles*.

The workshops will be held at St Mary Magdalene Church, Holloway Road, every Friday, 4pm until 5.30pm, from January 20 until March 16, 2012 (there'll be no class during the February half-term).

Everything including all the material will be provided, just turn up and experienced art tutors will show you what to do! Once the film is completed, you and your family will be invited to watch its Olympic premiere.
